1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Dennis Williamson on March 28, 2005.

The application has been amended as follows:

It is noted that the copy of the claims submitted on October 19, 2004, contained two sets of claims numbered 94 and 95. Further, though claim 97 is labeled as (canceled), it is noted that this claim was proposed in an interview, such that it never actually existed in order to be canceled. The changes below are being made in order to properly renumber the claims.

Regarding the copy of the claims which was submitted on October 19, 2004, on page 7 of the claims, "claim 94" has been renumbered as "claim 96," "claim 95" has been renumbered as "claim 97," "claim 96" has been renumbered as "claim 98," and "claim 98" has been renumbered as "claim 99."

On line 1 of the claim which has now been renumbered as claim 98 (which was previously claim 96), the dependency of the claim has been changed from "claim 95" to "claim 97."

2. Any inquiry concerning the content of this communication from the examiner should be directed to Daniel Howell, whose telephone number is 571-272-4478.
